

Interior Accessories

Ashtray

The removable ashtray is a handy place for loose items such as change.

Cargo Box - XLarge

This handy cargo box is a functional accessory that allows you to store cargo items and prevent them from rolling around during movement or cornering. This versatile storage item can fold up when not in use, to maximize your cargo space.

Cargo Liner

Protection for a long-lasting cargo area. This durable, long-lasting custom designed vinyl liner features a raised lip to contain spills for simple cleanup. Textured finish minimizes load shifting and the cargo area carpeting gets extra protection for wear and tear. The easy-to-install liner is equally simple to remove for cleaning. It's the ideal place for storing wet and dirty cargo. Consider it the ultimate way to protect the vehicle interior from scratches and spills.

Cargo Net

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

DVD System - 10.2"

A must for long or short road trips. This easy to operate DVD entertainment system with LCD screen, will help reduce driver distractions by keeping passengers entertained.

DVD System - 10.2" Without Sunroof

A must for long or short road trips. This easy to operate DVD entertainment system with LCD screen, will help reduce driver distractions by keeping passengers entertained.

Electrochromic Mirror with Compass

Navigation System, Gen 5 with Backup Camera and Bluetooth®

The Navigation system is touch-screen operated, using a Global Positioning Satellite (GPS) system and digital map data to gauge the location of the vehicle and plot a course to your selected destination. Key features include all in one unit (Navigation/CD/Radio), 4 Disc CD Changer, auxiliary capability, voice recognition. This system is equipped with a video camera that displays a rear view on the Navigation screen when the vehicle is shifted into the 'R' position. A Bluetooth® upgrade enables hands-free operation of your phone while driving - a legal requirement in many provinces for reasons of safety. [Learn more about this Navigation System Gen 5](javascript:win_open('/NWS/english/custom/c950016e_highlander.html',789,690))
