Ashtray

The removable ashtray is a handy place for loose items such as change.

Bluetooth®

The bluetooth phone accessory enables a handsfree operation of your phone. This is not only helps to assist in safety, but is also a legal requirement when operating mobile communication devices while driving.

Cargo Box - XLarge

This handy cargo box is a functional accessory that allows you to store cargo items and prevent them from rolling around during movement or cornering. This versatile storage item can fold up when not in use, to maximize your cargo space.

Cargo Liner

Protection for a long-lasting cargo area. This durable, long-lasting custom designed vinyl liner features a raised lip to contain spills for simple cleanup. Textured finish minimizes load shifting and the cargo area carpeting gets extra protection for wear and tear. The easy-to-install liner is equally simple to remove for cleaning. It's the ideal place for storing wet and dirty cargo. Consider it the ultimate way to protect the vehicle interior from scratches and spills.

Cargo Net

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

Cruise Control

Stop putting the pedal to metal. Cruise control lets you maintain a constant speed throughout various driving conditions. The controlled acceleration and deceleration help save fuel along with reducing throttle and brake management. A great aid on a long trip.

Interior Accessories

Door Sill Protectors

These stylish door sill protectors are not only functional, but offer a styling accent that is immediately noticed when entering the vehicle.

Electrochromic Mirror with Compass

The electrochromic rear-view mirror provides auto dimming and functional digital compass through an easy to see digital display.

iPod Interface

The iPod adapter is the perfect way to connect your iPod to your vehicle. Easily attach your iPod to the connector, and it can be controlled through the vehicle's audio unit or steering wheel controls.

Navigation System

The Navigation system is touch-screen operated, using a Global Positioning Satellite (GPS) system and digital map data to gauge the location of the vehicle and plot a course to your selected destination. Key features include all in one unit (Navigation/CD/Radio), single CD Disc Player, auxiliary capability. [Learn more about this Navigation System](javascript:win_open('/NWS/english/custom/c950016e_d4.html',789,690))

Owners Manual Wallet

Premium owners manual wallet with large pocket for holding manuals and service records. Also has a smaller pocket and business card sleeves. Has a Toyota logo and magnetic fastener.

Sirius Satellite Radio

Enable your satellite radio ready factory audio system! Our package contains the required components to enable you to tune into the commercial free radio station of your choice. Please note that the satellite radio requires a contract subscription with your local service provider.

Sport Pedals

The SPORT PEDALS offer a significant upgrade from the subtle factory pedals. Personalize your vehicle with these sporty metal pedals, which feature grippy rubber inserts to ensure complete pedal feel.

Exterior Accessories

Block Heater

Makes a cold weather start a breeze. Custom-designed system with 400 watts of heating power not only warms a vehicle up quicker but also reduces engine strain and wear. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Bodyside Moulding

Protect your vehicle from dings and bumps. Constructed from durable rubber, the molding offers long-lasting protection from any type of incidental contact. Moldings are custom styled to accent a vehicle's exterior.

Exhaust Tip

The corrosion resistant, stainless steel exhaust tip is a quick upgrade for those who want to add a touch of style to their factory exhaust pipe.

Hood Deflector

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes.

Exterior Accessories

License Cover - Black

Keep your plate clean. The Toyota License Plate Cover, made from durable weatherproof plastic, protects your license plate from the elements. You'll no longer have to contend with dust, mud and grime sticking to it. Comes with a clear or black frame.

License Cover - Clear

Keep your plate clean. The Toyota License Plate Cover, made from durable weatherproof plastic, protects your license plate from the elements. You'll no longer have to contend with dust, mud and grime sticking to it. Comes with a clear or black frame.

Rear Bumper Protector

Keep your bumper looking brand new. The Protector, made from formed PVC, is easy to use and is custom-fitted to the rear bumper of most Toyota's. Not only does it resist damage from scratches and scrapes but also its non-skid surface offers extra traction for easy loading or unloading.

Rear Lip Spoiler

The rear spoiler is a must! The stylish body lines in the rear are extended for a larger look and feel for your vehicle. This color keyed accessory is a quick install, and will be sure to set yours different from others.

Remote Starter

The convenient REMOTE STARTER allows you to remotely start your vehicle up to 80 feet. This is a great help to cool or warm your vehicle before entry during hot summers or frigid winters.

Roof Rack

Carry more on your roof. Ideal for carrying skis and bikes, this custom-fit rack has a quality, integrated look and offers cargo-carrying capability without sacrificing interior space. Equipped with front and rear sliding crossboards with adjustable tie-down eyes, the racks are compatible with Genuine Toyota Lockable Bike/Ski Rack Attachment. A wide range of shapes and sizes can be securely fastened with minimal chance of shifting.

Roof Rack - Ski Adaptor

Essential for the winter enthusiast, carries skis and/or snowboards. Includes two styles of mounting hardware and easy to open when wearing gloves.

Towing Hitch - Class I, 1500 lbs

The Toyota trailer hitch is designed and tested to meet your Toyota's towing specification and quality standards. This Class I frame mounted hitch allows for maximum vehicle towing strength and is rated up to 1500 pounds. Additional trailer hitch accessories include trailer hitch ball and wiring converter.

Towing Hitch Bike Adaptor

The Towing Bike Adapter bike carrier is for the true outdoor enthusiast. Take up to three bikes on any road trip.

Towing Hitch Wiring Harness

The towing hitch wire harness is a must for attaching the electrical connections of your trailer. Depending on the size of your trailer and the province you are in, it is a legal requirement.

Exterior Accessories

Trailer Ball

The towing hitch ball is available to haul even the heaviest of trailers. Please make sure the trailer does not exceed the maximum weight of the towing hitch ball.
