Under Seat Storage

Interior Accessories

XM Satellite Radio

Enable your satellite radio ready factory audio system! Our package contains the required components to enable you to tune into the commercial free radio station of your choice. Please note that the satellite radio requires a contract subscription with your local service provider.

Exterior Accessories

Trailer Ball - 14,000 lbs. Max.

The towing hitch ball is available to haul even the heaviest of trailers. Please make sure the trailer does not exceed the maximum weight of the towing hitch ball.

2" Swing Away 4 Bike Tow Hitch adapter (includes pin & clip)

The Swing Away bike carrier is for the true outdoor enthusiast. Take up to four bikes on any road trip, without sacrificing space both inside and up top. The rack swings out to the side, providing quick, easy access to your rear cargo.

Alloy Wheels - 20-inch (tires not included)

Make a statement with wheels. Toyota's rim feature's sporty styling which complement a vehicle's styling. Each wheel is custom manufactured to O.E. specifications; and constructed from aluminium alloy.

Bed Cleat

Utility plus. These practical and convenient tie-down Bed Cleats are fully adjustable and load-rated to 220 pounds.

Bed Extender and Installation Kit

Just a little extra space. The extender, which extends over the tailgate, is made from rugged lightweight, anodized aluminium tubing. It offers additional space for carrying things in the back of any Toyota pickup. It not only protects your cargo but it also keeps it in the vehicle bed where it belongs. Made from corrosion-resistant parts, the extender fits both Tacoma and Tundra and is easy to install and remove. Plus, it can be rotated inward to hold smaller items in place.

Bed Mat

Protect your truck bed when you need it. Custom designed for an exact fit, the mat protects against scratches, spills and damage. Made from thick cord-reinforced, synthetic rubber for durability, the mat is resistant to cracking and breaking while also providing airflow and drainage to keep the truck bed dry. The anti-slip design also prevents items from sliding in the cargo area. Mat can also be trimmed to fit into a truck with a bedliner.

Exterior Accessories

Bedliner - Long Box, With Rail

A truck bed that always looks new. The custom-fitted Bed Liner for Toyota pickups not only protects against dents and scratches but also reduces mold and mildew by allowing drainage and increased airflow. The liner, featuring a no-drill attachment system and made from high-density polyethylene copolymer, keeps loads from moving around. Plus, beverages or small parts can be placed on the tailgate thanks to built-in cupholders.

Bedliner - Long Box, No Rail

A truck bed that always looks new. The custom-fitted Bed Liner for Toyota pickups not only protects against dents and scratches but also reduces mold and mildew by allowing drainage and increased airflow. Heater saves fuel and battery power during startups as well. The strain relief electrical cord (available on selected models) reduces cord damage.

Bodyside Moulding

Protect your vehicle from dings and bumps. Constructed from durable rubber, the molding offers long-lasting protection from any type of incidental contact.

Cargo Divider

Cargo Net (Vertical)

Handy way to keep things from sliding around. The Toyota Cargo Net has a rugged "hammock-style" netting with elastic closure. The flexible, nylon braided net secured by tie-down rings in the cargo area prevents items from flying around while on the road. The stretchable net secures and protects all of your cargo. Easy to install, it can easily be removed and stored in a compact way when not in use.

Exhaust Tip 5.7L

The corrosion resistant, stainless steel exhaust tip is a quick upgrade for those who want to add a touch of style to their factory exhaust pipe.

Glass Breakage Sensor

Hood Deflector

Your hood can take a beating and still look great. Made from thick high-grade tinted acrylic, the deflector offers high impact resistance and reduces the potential for road debris and insect damage. The stylish wraparound design complements the vehicle's appearance while providing extra side protection. Thanks to the no-drill installation, it can be placed on a hood in minutes (except on Tundra and Sequoia).

Licence Cover - Black

Keep your plate clean. The Toyota License Plate Cover, made from durable weatherproof plastic, protects your license plate from the elements. You'll no longer have to contend with dust, mud and grime sticking to it. Comes with a clear or black frame.

Remote Starter

The convenient REMOTE STARTER allows you to remotely start your vehicle up to 80 feet. This is a great help to cool or warm your vehicle before entry during hot summers or frigid winters.

Remote Starter with Hood Switch

The convenient REMOTE STARTER allows you to remotely start your vehicle up to 80 feet. This is a great help to cool or warm your vehicle before entry during hot summers or frigid winters.

Running Boards

Go that extra step. Not only do running boards assist in entering a vehicle, they also help protect the lower body from road debris. Constructed with high quality material, they feature a wide-step surface with plastic step pad. The custom engineering ensures a perfect fit and easy installation.

Side Step Tubes

Step up. Step out. Classically designed Side Step Tubes allow for easy entry and exit. They're skid resistant, and built from stainless steel to defy rust and chipping.

Side Window Visor In Channel - Double Cab

Protection from the forces of nature. This new-style visor, made from tinted acrylic, keeps snow and rain out of a vehicle's interior while also reducing wind noise. If desired, fresh air can enter the vehicle free of additional noise or other elements. Its sleek, aerodynamic styling will also enhance your vehicle's appearance. Installation is quick and easy since no drilling is required.

Side Window Visor In Channel - Regular Cab

Protection from the forces of nature. This new-style visor, made from tinted acrylic, keeps snow and rain out of a vehicle's interior while also reducing wind noise.
